Cricket Club of IIITDMJ is the biggest Sports club of the institute which provides a platform to the students to explore all the areas of game. We are active throughout the year giving an amazing experience both to the club members and the audience. Club sessions are organized regularly and new avenues of game are explored. We have something to offer to everybody and this is the reason our family keeps growing every year and we attain new heights.

**Cricket club Events -**

**Enthuse**

The most competitive tournament of the club, Enthuse is a leather-ball tournament which was played in the cricket ground over a period of three days. This tournament had four teams, i.e., one

team of each year. This tournament gathered a huge crowd in all of the matches and especially during the final match.

### **Night Tournament**

Backyard cricket, street cricket, referred to as gully cricket, is an informal ad hoc variant of the game of cricket, was played in the volleyball court area in the floodlights. More than 25+ participated in the tournament which lasted for three days.

### **Fit-India Tournament**

This is a tournament for this commitment that we all share not only this sport, but also our youth. We saw some remarkable performances during this tournament. All gave to their best and compete with the game spirit as well as keep it a fair game and catch every possible opportunity to come closer to each other, or in other words, to each other Hard fight! We witnessed not only teams from Undergraduate programs and Post-Graduate programs but also various Faculties and Support staff teams.

### **45-Yard Tournament**

I know that passion for cricket is deep in us and there is no doubt about this fact that this tournament was memorable event for all of us. The standard cricket match that we hold is increasing year after year and we are happy that we are giving many 1st Year emerging players an opportunity to showcase their skills. This tournament was played with tennis ball and almost 20+ teams participated in the tournament including 10+ CRICKET CLUB 8 teams alone from the 1st Year.

These matches can be arranged at mutually convenient times and locations, allowing members to enjoy friendly competition and camaraderie outside of regular club activities.

### **Football club –**

The football club of IIITDMJ is an integral part of Gymkhana since 2005. We place equal emphasis on both the Men's and Women's teams with equal opportunity to take part in various intra-college events such as Enthuse and Futsal.

Regular sessions are also held on evenings and mornings where an organized training plan is followed.

- ☐ Is the football club open to all students? Yes, the football club welcomes students of all skill levels, from beginners to advanced players.
- ☐ How often does the football club organize practice sessions? Five times a week, every Monday, Wednesday, and Friday morning, and once each on Saturday and Sunday in the evening.
- ☐ Are there any membership fees to join the football club? Yes, there is a nominal membership fee of 100rs which needs to be paid just once in the beginning.
- ☐ Eligibility criteria to join the football club? Anyone who is passionate can join the football club, and to be a registered member, he/she must pay a registration fee of 100rs.
- ☐ Can I join the football club if I am just a beginner? Yes, anyone who is passionate can join the football club.
- ☐ How to join the football club? You must fill out the application form and pay a nominal fee of 100rs to join the club.
- ☐ Does the football club participate in tournaments? Yes, the football club actively participates in the inter-IIIT sports meet every year and also in local inter-college tournaments.
- ☐ Performance of the football club in various tournaments? The football club secured 1st place in the Jabalpur inter-college tournament and 2nd place in the inter-IIIT football tournament.
- ☐ What is the skill level of the members in the football club? The football club boasts a diverse range of skill levels, from casual players to highly competitive individuals.
- ☐ Are there any alumni of the club who have gone on to achieve success at a professional level? Yes, we have many seniors who have successfully become professional football players at the state level.
- ☐ Are there any coaches or mentors available to help improve football skills? Yes, the football club has experienced players who serve as coaches and mentors to help members improve their football skills.
- ☐ How many active members does the football club have? The football club currently has around 50 active members who regularly participate in club activities.
- ☐ Are there any opportunities for beginners to learn football within the club? Yes, the club organizes beginner-friendly sessions and workshops to help newcomers learn the fundamentals of football.

☐ Does the football club organize internal tournaments or matches? Yes, the football club frequently organizes internal tournaments and matches to provide members with competitive playing opportunities.

☐ Are there any opportunities for members to compete in national or international football tournaments? Yes, the club supports and sponsors talented members to participate in national and international football tournaments.

☐ What resources does the football club provide for members to improve their game? The football club has a well-maintained football ground where members can practice regularly and improve their skills.

☐ Are there any training sessions or workshops organized by the football club? Yes, the football club regularly organizes training sessions and workshops conducted by experienced players and coaches.

☐ Does the football club have any partnerships or collaborations with other football clubs or organizations? Yes, the football club collaborates with other football clubs and organizations to host joint events and competitions.

☐ How does the football club support members who wish to pursue football professionally? The football club provides guidance, resources, and networking opportunities to members who aspire to pursue football professionally.

☐ How does the club communicate important announcements or updates to its members? The football club communicates important announcements and updates through email, social media, regular club meetings, and mostly through a dedicated WhatsApp group created for this purpose.

☐ Tell us about the selection process for the football club? The selection process is very simple; anyone who is passionate can join.

☐ What is the club's policy on sharing football resources or materials with members? Anyone who is interested can approach the coordinator of the club for equipment to practice.

☐ How to manage academics and football hand in hand? We at the football club emphasize the importance of academics for students and try to help them with their academics by providing academic resources if possible and by postponing the club's sessions if they clash with their academic calendar.

☐ Fun games during football club sessions? The football club understands the importance of mental health for its members, so we organize some fun football games like Monkey in the Middle, Keep Away, etc.

☐ What is Monkey in the Middle in football? In this game, players form a circle, and one player stands in the middle, acting as the monkey. The players in the circle pass the ball amongst themselves, trying to keep it away from the monkey. The monkey's objective is to intercept the ball and become the passer in the circle.

☐ What is Keep Away in football? Keep Away is similar to Monkey in the Middle but typically involves two players passing the ball back and forth while one or more defenders try to intercept it. The objective of the game is for the attackers to maintain possession of the ball.

❑ **What is the objective of the game of football?** The objective of the game of football is to score goals by getting the ball into the opponent's net. The team with the most goals at the end of the match wins.

❑ **How does the club accommodate beginners who may not have their own football equipment for practice?** The club provides footballs and other necessary equipment. Members need to approach the coordinator to avail themselves of the equipment.

❑ **Is there a structured curriculum or training plan in place for beginners to gradually improve their football skills over time?** Yes, the football club offers a structured curriculum or training plan designed specifically for beginners to gradually improve their football skills over time. The training plan typically includes a progression of drills, exercises, and activities aimed at developing fundamental skills such as dribbling, passing, and shooting.

❑ **Does the club offer beginner-friendly programs or sessions to help newcomers get started?** Yes, the football club at IIITDM Jabalpur offers beginner-friendly programs and sessions designed to introduce newcomers to the fundamentals of football in a supportive and welcoming environment. These programs typically include tutorials, workshops, and practice sessions tailored to the needs of beginners.

❑ **Are there any workshops or seminars organized by the club to educate beginners about football rules and fundamental principles?** Yes, the football club regularly organizes workshops and seminars specifically tailored to educate beginners about football rules and fundamental principles. These educational sessions provide valuable insights and strategies to help beginners develop a solid foundation in football.

❑ **How football is taught by the football club at IIITDMJ?** We organize weekly sessions where we teach dribbling, passing, shooting, controlling the ball, and important strategies and tactics.

❑ **How competitive is the football club compared to other clubs on campus?** The football club at IIITDM Jabalpur is known for its competitive spirit and strong performance in intercollegiate tournaments. Members take pride in representing the institute and strive for excellence in their games.

❑ **Can you share some success stories or memorable moments from past tournaments and competitions organized or participated in by the football club?** The football club secured 1st place in the inter-college tournament in Jabalpur and also secured 2nd place in the inter-IIIT football tournament.

❑ **Does the club have access to football software for advanced analysis and study?** Yes, the club has a CNN-based neural network model which is used to analyze the strengths and weaknesses of the players and study complex positions in depth. These resources enhance members' learning and help them stay informed about the latest developments in football.

❑ **Can members arrange private matches or challenges among themselves?** Yes, members are encouraged to arrange private matches or challenges among themselves as a fun and informal way to practice and improve their skills. These matches can be arranged at mutually convenient times and locations, allowing members to enjoy friendly competition and camaraderie outside of regular club activities.

❑ How does the club communicate important information and updates to members? Important information to the members is communicated through WhatsApp groups dedicated to this purpose.

❑ How can I contact the in-charge or coordinator of the football club? You can find the contact details on the official website of IIITDM Jabalpur under the club coordinators section.

❑ Does the football club have a dedicated space or room for storing equipment? The football club has a dedicated football room in the Sports Activity Center of our college.

## **Football club Events –**

### **EVENTS**

#### **Gusto**

An Inter-college fest allowing every Indian college to show their passion for the sport is organized by us under the name Gusto. With 11 players on ground and 5 substitute players, a team from each college participates, indulging in a breath-taking group cum knockout tournament. With separate men's and women's tournament, we make sure to give equal chances of victory to everyone.

#### **Enthuse**

We organize this yearly event to tighten the muscles of every club member. With eleven players on ground, and four substitute players waiting to play, a fierce group cum knockout tournament takes place. Teams representing the year they belong to compete with each other to pick out the best. Students irrespective of the year or course participate and take pride in proving their skill.

#### **Futsal**

An annual intra college fun event which eases out the competitiveness called Futsal is also organized. We play in small teams consisting of 5 players each along with 3 substitutes and enjoy the fun filled group cum knockout tournament. Futsal registrations are open for every student team, making the club a warmer place for any new player in sight.

#### **Lawn Tennis Club of IIITDM Jabalpur**

The Lawn Tennis Club of IIITDM Jabalpur is dedicated to promoting the sport of tennis among students. The club provides a platform for players of all skill levels to practice, improve, and compete in a friendly and supportive environment. Regular coaching sessions, practice matches, and internal tournaments are key activities that help members enhance their skills and enjoy the game.

#### **Key Events**

##### **1. Annual Tennis Championship**

- **Description:** The Annual Tennis Championship is the premier event of the Lawn Tennis Club. It features singles and doubles matches for both men and women. The

tournament is structured in a knockout format, culminating in exciting finals. Trophies and medals are awarded to the winners, and the event is a highlight of the club's yearly activities.

## **2. Inter-College Tennis Tournament**

- **Description:** This prestigious event attracts tennis teams from various colleges. It spans several days and includes singles, doubles, and mixed doubles matches. The tournament offers a great opportunity for players to compete at a higher level and gain valuable experience. The event concludes with an awards ceremony, recognizing the best teams and players.

- The lawn tennis club understands the importance of mental health for its members, so we organize some fun lawn tennis games like target practice, speed tennis, etc.

❑ **What is target practice in lawn tennis?**

- Set up targets on the court, such as cones or markers, and challenge players to hit them with their shots. Players can earn points for hitting specific targets or for accuracy and consistency in their shots.

❑ **What is speed tennis in lawn tennis?**

- Players play a fast-paced game with a time limit for each point. The objective is to win points quickly and maintain a high level of intensity throughout the match.

❑ **What is the objective of the game of lawn tennis?**

- The objective of the game of lawn tennis is to score points by hitting the ball over the net and into the opponent's court in such a way that the opponent cannot return it successfully.

❑ **How does the club accommodate beginners who may not have their own lawn tennis racquets or tennis balls for practice?**

- The club provides lawn tennis racquets and tennis balls. Members need to approach the coordinator to avail themselves of the equipment.

❑ **Is there a structured curriculum or training plan in place for beginners to gradually improve their lawn tennis skills over time?**

- Yes, we offer a structured curriculum or training plan designed specifically for beginners to gradually improve their lawn tennis skills over time. The training plan typically includes a progression of drills, exercises, and activities aimed at developing fundamental skills such as grip, footwork, strokes, and strategy.

❑ **Does the club offer beginner-friendly programs or sessions to help newcomers like me get started?**

- Yes, the lawn tennis club at IIITDM Jabalpur offers beginner-friendly programs and sessions designed to introduce newcomers to the fundamentals of lawn tennis in a supportive and welcoming environment. These programs typically include tutorials, workshops, and practice sessions tailored to the needs of beginners.

❑ Are there any workshops or seminars organized by the club to educate beginners about lawn tennis rules and fundamental principles?

- Yes, the lawn tennis club regularly organizes workshops and seminars specifically tailored to educate beginners about lawn tennis rules and fundamental principles. These educational sessions provide valuable insights and strategies to help beginners develop a solid foundation in lawn tennis.

❑ How lawn tennis is taught by the lawn tennis club at IIITDMJ?

- We organize weekly sessions and teach fundamental skills such as serve, forehand stroke, and backhand stroke, as well as important strategies and tactics.

❑ How competitive is the lawn tennis club compared to other clubs on campus?

- The lawn tennis club at IIITDM Jabalpur is known for its competitive spirit and strong performance in intercollegiate tournaments. Members take pride in representing the institute and strive for excellence in their games.

❑ Can you share some success stories or memorable moments from past tournaments and competitions organized or participated in by the lawn tennis club?

- The lawn tennis club secured 1st place in the inter-college tournament in Jabalpur and also secured 2nd place in the inter-IIIT lawn tennis tournament.

❑ Does the club have access to lawn tennis software for advanced analysis and study?

- Yes, the club has a CNN-based neural network model used to analyze the strengths and weaknesses of the players and study complex positions in depth. These resources enhance members' learning and help them stay informed about the latest developments in lawn tennis.

❑ Can members arrange private matches or challenges among themselves?

- Yes, members are encouraged to arrange private matches or challenges among themselves as a fun and informal way to practice and improve their skills. These matches can be arranged at mutually convenient times and locations, allowing members to enjoy friendly competition and camaraderie outside of regular club activities.

❑ How does the club communicate important information and updates to members?

- Important information to the members is communicated through WhatsApp groups which are completely dedicated for this purpose.

❑ How can I contact the in-charge or coordinator of the lawn tennis club?

- You can find the contact details on the official website of IIITDM Jabalpur under the club coordinators section.

❑ Does the lawn tennis club have a dedicated space or room for storing equipment?

- The lawn tennis club has a dedicated lawn tennis room in the Sports Activity Center of our college.

## **Table Tennis Club of IIITDM Jabalpur**

The Table Tennis Club of IIITDM Jabalpur is dedicated to nurturing and promoting the sport of table tennis among students. The club provides a platform for enthusiasts of all skill levels to practice, improve, and compete in an engaging and supportive environment. Regular training sessions, practice matches, and internal tournaments are core activities that help members develop their skills and enjoy the sport.

### **Key Events**

#### **1. Annual Table Tennis Championship**

- **Description:** The Annual Table Tennis Championship is the flagship event of the Table Tennis Club. It includes singles and doubles matches for both men and women. The tournament is organized in a knockout format, leading to thrilling finals. Winners are awarded trophies and medals, making this event a significant highlight of the club's yearly calendar.

#### **2. Inter-College Table Tennis Tournament**

- **Description:** This major event attracts table tennis teams from various colleges. It spans several days and features singles, doubles, and mixed doubles matches. The tournament provides an excellent opportunity for players to compete at a higher level and gain valuable experience. The event concludes with an awards ceremony, recognizing the best teams and players.
